DATE SET:

Dear Children and adults,

Our topic this half term is 'Our Town - My Local Area and I'. We will be learning about ourselves and our environments and looking at how that is different from other children around the world. Homework can be completed by the children on their own or with an adult.

MATHS

We will no longer be sending out weekly Maths homework, but encourage you to use Mathletics at home. We will be giving each child a Mathletics login shortly.

We will also be introducing number facts homework for our rocket cards, this will be explained further at the parent/carer Maths workshop, so please try and attend.

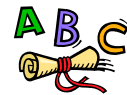

READING

Remember to read each day and get an adult to sign your reading card /book so you can collect your rewards!

SPELLING

We encourage you to practice spelling the common exception words with your child. Please attend the English workshop or talk to a member staff for more information.
