Monday, 11 September 2017

Dear Parents and Carers,

We are holding a poster design competition to help us promote road safety at the beginning and end of the school day. The winning designer will then work with the School Council to create the final design that will be displayed on 'no parking' signs outside of school. The aim of these posters is to discourage unsafe parking and ensure that Bessemer children are safe.

Designs will need to be returned to the school office by **Thursday 21st September 2017** and the winning design team will be announced in assembly on Friday 22nd September 2017.

The poster template is included overleaf.

Yours sincerely

Amy Foster

Healthy Schools Champion

Think about how you can make your images bold so that they will stand out to people far away.

How can you encourage people to choose safe places to park? What text might you want to include?
