Dear Parents and Carers,

As you know we recently sent out the Summer term parent survey. Very few people responded and those who did were very positive, so the forum had no issues to discuss on this occasion.

We were very grateful for all the very positive feedback we received. Particular strengths identified by the parents include; dedicated and high quality staff, the stimulating curriculum and the work of F@B.

If you would like to get involved in the parent forum please nominate yourself as a class rep by contacting the school office. Class reps meet once a term to discuss the results of the parent surveys and to come up with solutions to any issues raised.

Thank you again for your participation in this process, it is extremely valuable to us and we hope you will continue to give us feedback.

Yours sincerely

Elizabeth Whitehead
