Head of School: Mrs Elizabeth Whitehead

Wednesday 1st November 2017

Dear Parents / Carers,

This term, year 2's Science unit is Animals and Humans. Among other things, we have planned to teach the children about hygiene and changes to our appearance as we get older (for example: we get taller, we have longer legs, we grow adult teeth etc).

We need your help for two of the lessons!

Please could you bring in the following:

- A photo of your child from last year or the year before (so that we can look at changes that have occurred!) Please don't include baby photos – we need just one photo from when your child was 4, 5 or 6 years old!
- Please bring the photo in **on or before Tuesday 14th November** for 2LB class.
- Your child's toothbrush in a sealed bag. This is because we will be practising brushing our teeth in one of the lessons. You are welcome to include the toothpaste that you'd like them to use too, but this is not essential. Please be assured that children will not be sharing toothbrushes!
Please don't send in electric toothbrushes.
- Please bring the toothbrush in **Tuesday 14th November** for 2LB class.

Please make sure that your child's name is on the photo and the sealed toothbrush bag. We will make sure that your child gets their photo and toothbrush back later that day!

Thank you so much for your help in advance!

If you have any questions, please come and see your class teacher.

Best wishes

Lizzie Bullock

2LB class teacher & Year 1/2 phase leader
