Over the year we welcome your involvement in our school life. We will be asking for parents/carers to help during trips and in addition if you would like to come in and help with reading, do some cooking, share any art based skills or anything else, please discuss this with your class teacher.

Please ensure that you are reading with your child and recording in their reading diary. We will also be starting our mental maths 'rocket' quiz in the near future to support the children's mental maths. Please work with your child through step 1.

Best wishes, Miss Laura Cooke, Miss Laura McPherson and Mrs Sheryl Burton
