

5th June 2015

Dear parents/carers,

Next week we will be having a picnic in the nature garden. Prior to the picnic we will be going to Sainsbury's in East Dulwich to pick up some of our items for the picnic.

The children will have written their own shopping list here in nursery and will take these with them to help them remember what they need to buy. If you are able to contribute 50p or £1 for your child to buy something that would be very much appreciated.

If any parents/carers are available to come with us on this visit that would be a great help. Please let a member of the Nursery staff know if you are able to join us on the shop/picnic.

Many thanks,

Nursery team
