20<sup>th</sup> October 2017

Dear Parents/Carers,

This week our sound of the week will be the letter 'n', please could you work with your child to find something in your house that starts with the letter 'n' and bring it into nursery. This will be added to our sound of the week box and be used during the course of the week as part of our phonics sessions. It can be a household object or a toy and must start with the **sound 'n'**.

A reminder that the nursery will be holding a mathematics workshop on **Thursday 9<sup>th</sup> November 9AM**, it will last for a minimum of 30 mins but as it is a practical workshop you are free to stay for the majority of the morning session and explore the full range of activities which will be set up both inside and outside. All PowerPoint presentations will be on the school website the day after the workshop.

We hope you all enjoy the half term break, please continue to share lots of books with your children throughout the holiday and have lots of fun. We return back to school **Monday 30<sup>th</sup> October**.

Many thanks,

Nursery team

**NB:** With regards to Birthday celebrations, although it is very generous that you want to share cakes, sweets and party bags with other children at the end of the day I am afraid that we are no longer able to allow this. We will be following the rest of the school's policy regarding this issue, which is no sweets, cakes or party bags to be shared inside school.
