Dear Parents / Carers,

As part of our Enterprise Week, children in Year 4 will be designing and making products to sell at the Winter Fair, and will be working on pricing and advertising their products.

In 4JB and 4AC, we have decided to create decorative candle holders to sell at the fair. Therefore, we would appreciate it if you could collect jam jars for us (or any glass jars will work fine) and send these in to school with your child so that everyone will have at least 1 jar to decorate in class. In 4VG, the children will be creating birds with all resources being provided for by the school.

Additionally, all Year 4 classes would like to ask for **adult volunteers** who can come along to the fair to help with setting up our stall, selling our products and packing away at the end of the day.

The fair will be taking place on Saturday 9th December from 12-3pm, but if you can arrive a little earlier to help with setting up, then that would be great.

Please let us know if you are able to help by completing and returning the slip below to the school office.

Many thanks,

Josie Blake, Alison Clarke and Victoria Gale
