Head of School: Mrs Elizabeth Whitehead

Monday 27th November 2017

Dear Parents / Carers,

This term, Year 2's Science unit is *Animals and Humans*. Among other things, we have planned to teach the children about hygiene and changes to our appearance as we get older (for example: we get taller, we have longer legs, we grow adult teeth etc).

We need your help for two of the lessons.

Please bring the following to school:

- A photo of your child from last year or the year before (so that we can look at changes that have occurred). Please do not include baby photos – we need just one photo from when your child was 4, 5 or 6 years old.
 - Bring the photo to school **on or before Wednesday 6th December** for 2KD class.
- Your child's toothbrush in a sealed bag (not electric toothbrushes). This is because we will be practising brushing our teeth in one of the lessons. You are welcome to include the toothpaste that you would like them to use too, but this is not essential. Please be assured that children will not be sharing toothbrushes!
 - Bring the toothbrush in on **Wednesday 6th December** for 2KD class.

We ask that you ensure that your child's name is on the photo and the sealed toothbrush bag. Your child will get their photo and toothbrush back at the end of the day.

If you have any questions, please come and see me.

Thank you in advance for your help!

Best wishes,

Kamala Dodd

2KD class teacher
