

Year 1 Newsletter Spring 1

Welcome back, we hope you had a great Winter break. Thank you for bringing in your homework at the end of last half term, please ask if you need a new homework book to complete the homework for our new topic 'Looking After Our World.'

For our art work during this topic we will need some recyclable materials so please send in any cardboard, paper, plastic or other materials that can be recycled.

Please let a member of staff know if you are able to come into school to help with reading.

In maths this half term we will be focussing on the following topics:

- Place value
- Addition
- Subtraction
- 3D shape
- Position and direction

In English we will be focussing on the tradition tale of 'Hansel and Gretel' and the book 'Dear Greenpeace' by Simon James.

Please make sure that you continue to read with your child every day and sign their reading diaries so that they can continue to collect reading rewards.

Below are the P.E days for the different classes;
