

YEAR 4 CURRICULUM NEWSLETTER SPRING 1

Welcome back and Happy New Year! This newsletter will provide you with information on the half term ahead. If you have any further queries, please don't hesitate to contact us.

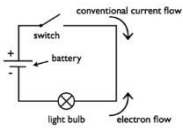

Topic - Our topic for this term is The Environment. We will be learning about the physical and human features of the UK and North America, as well as how to care for our environment through the 3R's (reduce, reuse, recycle).

English - Linking to our topic & science, we will be doing a range of work based on the Iron Man by Ted Hughes. Later in the term we will be starting to look at William Shakespeare's 'The Tempest' in preparation for the following terms Year 4 Production.

Maths - We will work on number (including negative numbers) and place value. We will then work through the 4 operations and shape & space. Please continue to work on your mental maths to get the next step on the maths rockets. Homework will be sent out on a Friday and should be returned on Wednesday.

Science- In science we will be introducing the topic of Electricity exploring different circuits. We will hopefully make our own Iron Man with flashing eyes!

Computing -We will be using Scratch to create a program for a toy design

PE -Kit needs to come into school every Monday as the timetable may be changed due to special events taking place in the hall or rain.
