

# Year Six Newsletter Spring Term 2

## Friday 23<sup>rd</sup> February 2018

LOWER COURSE OF A RIVER

THIS HALF TERM:

## Spring Term 2 2018

### Upcoming Trips

The children will be visiting natural habitats in our immediate local area as part of their science topic.

### PE

Year Six PE will take place twice each week. Your child will need to bring a full change of clothes suitable for physical activity. It may be helpful if your child brings their PE kit to school on a Monday so that they do not forget as children who do not bring their PE kit will not be able to take part in their lesson.

### Reading

The children will be given reading books to take home each week. All children need to read both independently and with an adult. Please ensure that you sign the children's reading record card when they have read for at least 15 minutes. Children will collect stickers in school and will then receive awards during assembly.

### Homework

The children have been given 'Achieve 100' study guides for Reading, SPaG and Maths. These guides are designed to revise for the SATS in May. The children will be set 2 pages each week and will be expected to bring this homework back on the following Thursday. Please ensure that your children are completing this homework each week.

### Mathletics and Reading Eggs

Mathletics and Reading Eggs are online programs that can be used at home to support the children's learning in school. Each child was given a log-in and password during the last academic year. If they have lost either or need some additional support using each program then please encourage them to inform us in school.

**We look forward to an excellent term!**

### Literacy

A unit based on the book, *The Wedding Ghost* by Leon Garfield which will include writing a story with a flashback, discursive writing and writing using suspense and description.

### Numeracy

Fractions, arithmetic questions, percentages, ratio and proportion, reasoning questions, number patterns
