Dear Parents / Carers,

To comply with new data protection laws we need parents' permission before we can photograph or make any recording of your child / children in school. As we are sure that you can appreciate, this makes much of the work that we do at Bessemer rather difficult as we frequently take pictures of your child / children throughout the school day to share their learning, to support assessments, to record events and activities, to develop their skills when using technology etc. We additionally use these images and recordings on the school website, in school publications, for publicity materials and on school displays.

Therefore, it is essential that all parents provide permission on the attached consent form and return it to school as soon as possible to ensure that there is limited impact from this change in data protection laws on our daily work at Bessemer.

If you do not wish to sign the consent form, then please arrange an appointment at the school office to meet with a member of the Senior Leadership Team to discuss this further.

Yours sincerely,
