Dear Parents / Carers,

Thank you all so much for the photos of your children helping out around the house. These have helped stimulate some great discussions on the carpet. The children absolutely loved seeing themselves on the whiteboard in these sessions and sharing these pictures has been extremely insightful!

Next week we will be looking at *healthy foods* and it would be great if we could get some photos of your children eating healthy snacks and meals at home. Again, these will be very useful during our focus sessions and will provide a great stimulus for carpet talk.

As we approach half term, we once again need a holiday home for our adorable guinea pigs. If you would like to look after them for the week then please inform your child's class teacher.
