Dear Parents / Carers,

On **Wednesday 18th July**, Year 5 will be having their class parties in the afternoon. Children are to wear their regular school uniform to school but may bring their own clothes to get changed into for the party. Please contribute food/drink items for the party, although please do not feel it is your responsibility to provide for every individual child (e.g. a bottle of squash or a packet of fruit is a sufficient contribution). Food must not contain nuts, pork or grapes as these are not permitted in school and it would be helpful for any homemade items to be labelled with a list of ingredients so that children with allergies can be aware.

The final day of term, **Friday 20th July**, will be *Toy Day*. Children are allowed to bring in a toy from home that they would like to play with in their classrooms. We advise that children think carefully about which toy they bring and suggest that they do not bring in toys that are overly expensive or sentimental, as the school is not responsible for any damage that may happen. In the spirit of *Toy Day*, electronic items (such as tablets, handheld games consoles and mobile phones) are not permitted so that the children can enjoy their final day of term playing together as a class rather than individually or in smaller groups.

If you have any questions regarding the end of term arrangements, please do not hesitate to contact any of us.

Kind regards,

Hannah Goodwin, Anna Moore and Rebecca Steel
