## Chickens!

We are excited to announce that we have names for our new chickens! Lots of fantastic names were suggested by the children and the winning ideas were chosen by F@B. It's fair to say the names are interesting to say the least, if you'd like to know what they are then pop over for a visit - their pictures and names are displayed by the chicken coop.

## Bessemer Club

Thank you to everyone who reregistered their children for Bessemer Club. If you have not done so then your child does not currently have a place. If you would like to register for Bessemer Club please see the office staff.

We have made some changes to our administration systems for Bessemer Club and are now only able to change children's days at the beginning of a half term. This means that once you have chosen the days on which your child attends they are fixed for one half term. They can be changed in the first week back of each half term (or preferably in advance the week before the half term break). Any cancellations must be made with one week's notice or you will still be charged. If you work shifts which regularly change, please come in and see the office staff about this.

**We are sorry but we are no longer able to take last minute bookings for Bessemer Club.**

## Comments and Suggestions

If you have any comments or suggestions that you would like to be considered by the parent forum please put them in the comments box in the office. Please note that this is for parents' comments. If your children would like to make suggestions please use the school council suggestions box outside the bottom hall.

Have a great weekend and please remind your children about firework safety if they are out and about.
