Dear Parents and Carers,

In the event of closure, the Year 6 team ask that your child continues with school work at home, in order to minimise the disruption to their learning.

We would like your child to continue to work through their Reading, Maths and SPaG Rising Stars booklets at home. We ask that they work through the following pages:

The **bold** pages are ones which we would ask that your child should complete, if we are closed for four weeks. The non-bold pages are ones which your child could complete, if they wished to complete additional work.

We are also sending a set of practise Reading, SPaG and Maths SATs papers home for your child. Please allow your child to work through these mostly independently, where possible, then support with challenging questions afterwards. Mark schemes and extra papers can be found online for free at www.satspapers.org.uk

For support with any of the above, please refer to Lizzie Clarke's parent information workshop PowerPoints from the Autumn term. These can be found on the school website, under the 'Parents' tab followed by 'Parent workshops'.

Last week, your child was also given a new copy of their Mathletics and Reading Eggs logins. Please ensure you log on to Mathletics and Reading Eggs, if you are able to do so. Your child also needs to ensure that they are reading daily, for at least 30 minutes.

Feel free to also complete Topic homework, or any additional home learning of your choice! We are looking forward to seeing all of the children's efforts when we return.

Until then, we wish you a wonderful and healthy Easter holiday.

Yours sincerely,

Lizzie Clarke
