Dear Parents & Carers,

What a great few weeks we have had! The children have been working really hard and this can be seen from the amazing work they have produced.

Science Week

Our school science week has been a great success. On Tuesday the 'Mad Science' team visited and each class participated in an exciting workshop. The children had a fantastic day and some even managed to take their investigations home! During the week the children enjoyed investigating fun science activities. Bubble wands, ice cream, and slime were just a few of the items created and investigated by the children. This Friday we will be holding our school science fair in the top hall at 3.30pm- 4.15pm. Come along and see what your children have been up to.

Big Pedal

Well done to everyone who has taken part in the Big Pedal this week. We are currently in 5th place in our category and 1st in our category in London. Keep up the good work with the cycling and scooting!

Payments

Please can we remind you again to include a reference note when making a bank payment to the school. We are still receiving many payments with no names.

Breakfast Club

Please remember breakfast club begins at 8am. Please do not leave your child in the office or outside the breakfast club until 8am. Thanks for your understanding.

Spring Awakening Festival and Parade

Well done to the year 3 children who participated in the Spring Awakening Festival on Saturday March 18th. It was a fantastic event and great to see so many children and parents. Thanks to all of you that attended.

**F@B Egg Hunt**

Join us on Friday 24th March for our 'eggcellent' egg hunt and cake sale. The hunt begins at 3.30pm in the nature garden. Come along and see how many eggs you can find. Help us to raise some money to buy a few new chicks for the coop.

Red Nose Day

Please remember to wear your pyjamas to school on Friday 24th March to help us celebrate Red Nose Day. Please help us raise as much money as we can by contributing to the donation tin in the school office. Please make sure your child is dressed in suitable pyjamas as the weather is still chilly. We would suggest they wear their dressing gowns and clothing underneath to keep them warm. Slippers will be allowed in classrooms only.

**Head lice**

We have had a large number of children with head lice in school lately. Please regularly check your child's hair for eggs and treat appropriately. It is important that if you find eggs your whole family applies the treatment.

After School Activity Clubs

All after school activity clubs end this week 21/03/17 apart from those on **Monday which will end on 27/03/17**. The new After school activity clubs begin the week of 24/04/17. Please ensure you check the club lists at the office on Wednesday 19/04/17 to see which club your child has a place in.
