Once all spaces are allocated the registers will be displayed on a noticeboard at the office we will not be sending out letters to allocate spaces so please make sure you check. Below are three permission slips as we are aware your child may wish to go to more than one club. You must complete a permission slip for each club your child attends. Children will only be allowed one free club each term unless it isn't filled to make the process as fair as possible. If you have any questions or concerns please come and speak to me.

Thanks, Rebecca Benjamins
