

Dear children and adults,

Our topic next half term is Carnival and we will be focusing on Colombia and the 'Carnival de Blancos y Negros'. We suggest that you research Colombia and complete some carnival related craft activities e.g. headbands, instruments and costumes.

The phonics screening check is soon after we get back (the week commencing June 13th) so this half-term homework focuses on revising our sounds ready for the check. Please ask your child to read the sound in red and the word next to it. Then write another two words containing that sound. Please let a member of the team know if your child has trouble with any sound in particular.

Thank you,

The year one team
