23<sup>rd</sup> September 2015

Dear Parent/Guardian

Following on from the success of our summer play street we will be closing the street again on Friday 25<sup>th</sup> September. We invite you to join us for a car free day on Nairne Grove straight after school.

We will be closing Nairne Grove to through traffic from 15:00 to make a space for people to play and enjoy a car free street. The event will finish at 17:00, with the street being reopened to traffic before 6.

Everyone is welcome to come and enjoy the space without the worry of cars.

The event is being run by members of F&B. The event is not part of the school day and all participants must be accompanied by an adult. F&B will be managing the closure of the street and ensuring that everyone is safe, however they are not taking responsibility for looking after children or providing a childcare service.

We are kindly requesting that parents don't drive up to the school gates on Friday as it will pose a risk to children and cause congestion. If you do need to use a car for the school run, please park in Sainsbury's car park less than half a mile away by foot.

If you would like to discuss this event with me in more detail please make an appointment.

Thanks

Rebecca Benjamins  
Assistant Headteacher
