Dear Parents / Carers,

Student council have been working hard to prepare for their first event of the New Year. After a meeting with our new council the members have decided that the first event they would like to organise is to help the refugees in Calais.

Therefore we are asking for donations of books, paper, pens, pencils and colouring pencils/crayons that children are no longer using. There are a lot of children at the Calais refugee camp who would benefit tremendously from our generous donations.

We will be setting up a collection box at the main office, one in the top hall of school and also one in the new school building for these donations to be brought to. All collections need to be in by half term in order for them to be sent away.

If you have any questions please come and see Miss Evans.

Best wishes,

Student Council and Miss Evans
