Dear Parents / Carers,

As part of sports relief this year we have arranged an exciting activity for the children to participate in and raise money for this worthy charity.

On Friday 11th March the student council have arranged for each class to participate in an obstacle course challenge. In order to take part in this challenge the children must pay £2, if there are any children who would prefer to support rather than participate we would ask for a donation of 50p in order to raise much needed funds for this very worthy charity.

The challenge will involve children participating in an obstacle course which will be constructed in the school hall using the gymnastics apparatus. Each class will be timetabled for a 20 minute slot to enjoy and challenge themselves on this exciting activity.

We hope you will be as inspired and motivated as we are by this fantastic opportunity to make such a big difference in the lives of those suffering around the world.

Kind regards,

Rhiannon Evans and student council
