THIS HALF TERM:

Reptiles

Upcoming Trips

Samba music group: trip to Hastings on Friday 16th June.

PE

Year 5 PE will take place twice a week. Your child will need to bring a full change of clothes suitable for physical activity. Your child should bring their PE kit to school on a Monday as without a full PE kit, your child will not be able to take part and will receive a detention after 3 missed sessions.

Reading

The children will be given reading books to take home each week. All children need to read both independently and with an adult. Please ensure that you sign the children's reading record card when they have read for at least 15 minutes. Children will collect stickers in school and will then receive awards during assembly.

Mathletics and Reading Eggs

Mathletics and Reading Eggs are online programs that can be used at home to

support the children's learning in school. Each child was given a log-in and password during the last academic year. If they have lost either or need some additional support using each program, please encourage them to inform us.

Homework

A half termly topic homework has been given out, which has several creative activities that your child can complete at home. The children will also receive Maths and spelling homework weekly.

Children will also be expected to practice times tables and mental maths at home for a weekly test.

5CR and 5HG Maths Groups: Consolidate Speed and accuracy of times tables up to 12 x 12 and relevant division facts. Eg: $5 \times 7 = 35$ so $35 \div 5 = 7$. Using and applying times table facts Eg: $70 \times 5 = 350$ so $350 \div 5 = 70$.

5AM Maths Group: Consolidation of number bonds, mental addition and subtraction of one and 2 digit numbers and to learn the 3, 4 and 6 times tables.

If your child is struggling to complete their homework a homework club is available every Monday until 4:30pm in the Year 5/6 building.
