Dear Parents/Carers,

Thank you all so much for the photos of your children with shapes in the environment. They have been very useful in both consolidating recognition and assisting with our carpet sessions, the children absolutely love seeing themselves on the whiteboard in these sessions and sharing their understanding has been extremely insightful.

Next week we will be focusing on social behaviour and it would be great if we could get some photos of your children helping you out at home, for example helping to prepare food, assisting with the washing up, shopping, or caring for a younger sibling. Again these will be very useful during our focus sessions and will provide a great stimulus for carpet talk.
