

# Nursery Newsletter 9.11.18

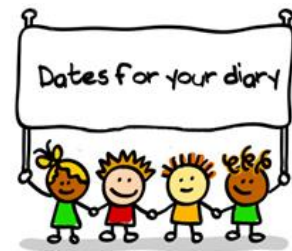

A big thanks to everyone who came along to support our *Big Broth* in conjunction with the charity *Centrepont* last Friday. The children had a lot of fun cooking the soup whilst learning about healthy eating and I am sure that all of you that came in and sampled the soup would agree that it tasted fantastic.

Please make sure you are checking book bags and diaries weekly and reading with your child daily

## Active Travel

We are proud to say that Bessemer is a 'gold' sustainable travel school, accredited by TfL. We try to make all families feel supported choosing to walk, scoot or cycle to school and hope you will tell us if there is specific training that would enable your child to be more active in their journey to school. Evidence shows it helps not just their physical development, but also their readiness for learning and concentration so please do let us know how we can help you ditch the buggy this term.

## HOME LEARNING

### Sound of the week

Our sound of the week will be the sound 'g', please could you work with your child to find something in your house that starts with the sound 'g' and bring it into nursery.

This will be added to our sound of the week box and be used during the course of the week as part of our daily phonics sessions. It can be a household object, a toy or a picture/photo/drawing and must start with the **sound 'g'**.

Many thanks,

The Nursery Team
