Primary School Sport Premium at Bessemer Grange Primary School

At Bessemer Grange Primary School we aim to establish a sporting culture that enables and encourages all children to play and enjoy sport. We have established a number of after-school clubs for our pupils offering a wide variety of sporting opportunities for our children. We enter numerous school sport competitions to allow children to be competitive and are constantly developing our PE programme.

How will we be spending the Sports funding and who will benefit?

The Sports funding will be used to:

- Join the London and P.E. School Sport Network. This network provides teacher training opportunities including NQT training, as well as supplying P.E experts to work with teachers in delivering high quality P.E. lessons. The network also allows our school access to a full calendar of competitive and non- competitive (including gifted and talented and SEN) events for both KS1 and KS2.
- Join the Millwall Community Trust Schools Offer. This network provides in-school training developed to support the whole school sports' needs. Support staff training to provide all colleagues with examples of best practice to encourage active participation both during play & learning time within school & out of school environment. Support with Youth Sports Trust "Skills 2 Achieve" assessment tool. A health and well being programme for pupils. Training for sports leaders. Access to a full calendar of competitive football events.
- Increase the skill level of staff in the delivery of quality P.E. teaching.
- Buy exciting and stimulating resources to facilitate the teaching of PE.
- Develop a safe but active use of the playground at break times.
- Provide opportunities for children to compete. We feel it is important that children have the chance to represent their school and take part in competitive sport against other schools.

Expenditure

Sports funding is allocated to schools by the government. It is for schools to decide how the Sports funding is spent.

2018/19

The government allocation for Sports funding is £20,690

Provider	Provision	Cost
London School Sports Network	INSET/training for KS1 and 2 teachers CPD team teaching for KS1 and 2 Organisation and entry into a range of sports competitions throughout the year	£6,643
MCT School Sport Offer	Inset training for KS1 and 2 teachers Health and well being teaching programme CPD team teaching for EY, KS1 and KS2 Organisation and entry into football competitions throughout the year Lunchtime and after school clubs	£3500
Spots Coach	Accompany children to league matches and competitive events Train and work with children throughout the year	£10,080
Total		£20,223

Impact

We will evaluate the impact of the Sports Premium funding as part of our normal self-evaluation and provision mapping arrangements. We will look at how well we use our Sport Premium to improve the quality and breadth of PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

Measuring the impact of the activities provided with sports premium funding can be achieved in different ways. We will look at progress in PE as well as other areas of development such as self-esteem, confidence and the numbers of pupils involved in sporting activities in and out of school. We will also evaluate the impact of professional development opportunities in improving teaching and learning in PE.
