

Reception Newsletter 20.09.19

We have been celebrating the class puppet's birthday. We have really enjoyed writing birthday cards, counting candles on cakes, ordering birthday cards with numbers on and making playdough cakes.

If your child goes to a club after school please park their scooter inside the red gate as the EYs gate closes at 4pm.

Reading

Don't forget to read to your child every day. Encourage your child to look for the sounds and words we have been learning in their reading books. The words to practise for this term are also in the front of your child's red reading diary.

Learning to read the sounds:

i n m d

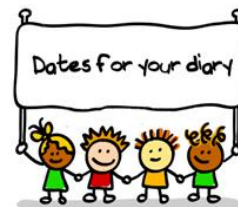

Learning to read the words:

in at as

HOME LEARNING

I can write my name.

Your child will have a name card in their book bag to practise writing their name with the correct formation at home. There are lots of ways to make this fun, by writing it in the air with a twig, using chalk on the pavement, a paintbrush and water on the wall outside, putting paper over the top of the card to trace it, copying it straight from the card or buying a whiteboard pen from the school for 10p.

Maths Parent Workshop -

Thursday 3rd October 9.15-10.15am

Please ensure you attend this workshop in order for us to share the teaching strategies we use, so that you can further support your child's learning at home.

Celebration Day - Friday 18th

October 9.15-10.15am- this is an opportunity to spend time in our setting to see how your child learns.

Bessemer Reception Class Forest School Sessions

Every Wednesday afternoon your child will take part in a 45 minute forest school session in the Nature Garden with Jolly Foresters.

We will be toasting marshmallows, using tools and getting messy and muddy whilst having lots of fun!

Please ensure your child is wearing closed toe shoes (wellie boots are best) to these sessions and a waterproof coat. If you have waterproof trousers, please bring these too. If you do not have, F@B will be supplying these. In winter please send a hat and gloves

What is Forest school?
Forest School is an inspirational process, that offers the children opportunities to achieve, develop confidence and self esteem, through hands on learning experiences in a local woodland environment."

Many thanks,
The Reception team.

Rainbow - Jo Lipinska (Mon-Wed) and
Laura Dunphy (Thursday and Friday)
with Hollie McDonagh

Sunshine - Angela Uzor with Olivia
Howard

Moonbeam - Anastasia Sotirou with
Ana-Doris Garcia

Early Years Educator - Sandra La
Touche working throughout the
setting.
