Half Term Art Challenge & Wider Curriculum Activities

Dear Parents and Children,

As we are not providing maths and English work for you during half term we thought you might want to put your artistic talents to the test and complete our art challenge. The challenge is to create a portrait. Please see the art challenge sheet attached to give you some ideas. You can create a self-portrait, family portrait or a portrait of a friend, pet or neighbour. This challenge is completely voluntary and there is no expectation that you have to take part.

The work you create for our art challenge will be used to start an online gallery, which will feature some of the work you have completed at home while school has been closed.

Last week activities for science, art, DT, music, history or geography, computing and RE were added to the school website under the wider curriculum heading in the home learning section. <http://bessemergrangeprimary.co.uk/resources-for-learning-at-home/>

While you are at home you might want to have a go at some of the wider curriculum (topic) activities. If you complete any of the wider curriculum activities we would like you to send a photo of your work so we can add it to the schools online gallery which will feature on the front page of the website. We would love to see the work you create. Please email any work created to the school office clearly titled with your name and activity. Again, there is no expectation to complete these activities.

Thanks

Rebecca Benjamins
Deputy Headteacher
