

"Looking After Our World"

Topic Homework Spring 1

1AS, 1AM, 1JM

DATE DUE:
Friday 12th February

Dear Children and Adults,
Our topic this half term is 'Looking After Our World.' We will be revisiting continents, and will be looking at the countries that make up the United Kingdom, and will be exploring the oceans of our world, as well as having a focus on protecting our planet and local environment with recycling and getting cleaner air.

We encourage you to use Mathletics with your child at home. We will be starting next term with a focus on place value within 20, a revisit of shape, and will begin to explore money, length and time.

We encourage you to discuss time at home, as well as continue with number bonds to 10 and 20.

Keep practising writing your numbers, making sure they are facing the correct direction.

READING

Remember to read each day and get an adult to ask you questions about your story. Try and retell your story in your own words, and talk about the characters, problem and how the problem got solved.

SPELLING

We encourage you to practise spelling the common exception words with your child and the spelling list sent home. Practise writing the days of the week and your numbers to 10 in

WRITING AND TOPIC

You have a scrap book to use to complete your homework project. Over the next six weeks, you may wish to complete some of these activities or make some up of your own.

YOU COULD COMPLETE THESE WRITING TASKS

1. A letter to the prime minister about reducing plastic waste.
2. Research a country of your choice and write what you find out.
3. Write a recount of a day you visited a different place in the UK.

OR YOU MAY CHOOSE TO COMPLETE THESE

1. Make a poster about reduce, re-use, recycle.
2. Re-use items to make something new.
3. Draw a map of the UK. Where have you been? Can you add photos?

Topic Words

Do you know what these words mean and how to spell them?

Environment

London

Recycling

Ocean

Continent

Country

Pollution

Challenge

Can you sort different items of recycling into categories e.g. plastic, paper, tins?

Take photos of what you have done.
