Dear Parents and carers,

The government is currently offering a scheme that will increase data allowances on certain mobile networks to help support children who are unable to access WIFI at home to assist with their home learning.

The networks participating in this scheme are:

Three

Smarty

Virgin Mobile

EE

Tesco Mobile

Sky Mobile

If you are on one of those networks and are interested in participating in this scheme then please return the form below with the information required by Wednesday 13th January 2020. Please also read the privacy agreement as your returned application form will act as consent for the school to submit on your behalf.

Please only return the form by email to office@bessemergrange.southwark.sch.uk

Please see the following website for full clarification on the offer:

Privacy statement

1. For the purposes of data protection, I need to let you know that the Department for Education (DfE) is running the Mobile Network Offer through schools and their trusts or local authorities.
2. If the offer is taken up by an adult account holder, the school or social care team will share the account holder's name and mobile phone details with the DfE, who will share these with the relevant mobile network operator.
3. The mobile network operator will use that information to increase the data available for the account holder's mobile device, as long as they qualify for the offer.
4. The adult account holder's personal data is only shared with their mobile network operator for the purposes of the offer. No names of children or other adults, other than adult account holder, are shared with the DfE or the mobile network operator.
5. No personal information will be shared with the DfE if you do not want to take up the offer.
6. If you want to know more about how your personal information will be used before you take up the offer, we can send that to you first.
7. If you decide to take up the offer, you'll get a text message from the Department for Education with more information about your data protection rights.
