

# Nursery Newsletter 05.02.21

## School Admission

The deadline for applications for Reception places for September '21 has now passed. If you have not made your application please contact the school office for advice on how to proceed with a late application..

**No mobile phone zone**

**Greet your child with a smile, not a mobile**

Please, please, please label your child's belongings!!!

## **Maths**

This week in maths we have been learning that numerals represent sets.

We have been playing turn taking maths games, using teddies to count, finding out favourite toys, exercising and rolling and recognising dots on a dice.

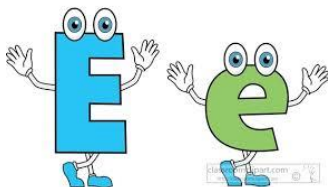

## **Children's Mental Health Week**

We have been partaking in children's mental health week this week. We have been exploring our emotions, feelings and experiences through a variety of activities and carpet sessions.

The children have been saying what makes them happy and how they can cheer someone up if they are sad. It's been lovely to see the children showing such empathy to their friends and we will, as always continue to encourage their emotional wellbeing and understanding.

## **HOME LEARNING**

### **Sound of the week**

We are reintroducing our sound of the week and next week it will be the sound 'e', please could you work with your child to find something in your house that starts with the sound 'e' and send a picture to your class teacher. This will be used both in class and in our live lessons
