No mobile phone zone

Greet your child with a smile, not a mobile

Please, please, please label your child's belongings!!!

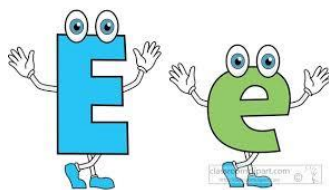

This week's learning

Well done to all the children who have been tuning into the live lessons and carrying out the home activities. It has been great to see your lovely work.

This week in maths, we have been learning to match numeral to quantity. We have enjoyed many activities including, going on a number hunt in the classroom, carrying out number exercises and counting farm animals in exciting ways.

HOME LEARNING

Sound of the week

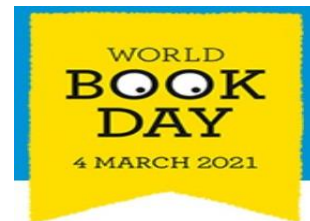

We are reintroducing our sound of the week and next week it will be the sound 'e', please could you work with your child to find something in your house that starts with the sound 'e' and send a picture to your class teacher. This will be used both in class and in our live lessons

Ladybird:
