News and Reminders

Important Communications

We are sending this newsletter out on paper as well as electronically as it has become clear that not everyone is receiving or reading the newsletters and therefore families are not receiving important information. Several children missed school on Monday as they did not realise the Inset day had been cancelled, however this information had been on the last three newsletters. If you have not received this newsletter by email as well as receiving this paper copy, please could you let the office know as soon as possible as your contact details may need updating. It is essential that all parents and carers receive and read the newsletter each week.

Website

Our school website is also a great source of important information such as school dates, unfortunately however if you access the website by following an old link you will not see the most up to date information - this contributed to the issue on Monday, as the dates had been updated on the website, but families who checked the website for dates by following an old link saw the old school dates rather than the updated version.

Tutorial Day

Next Friday, 30th April is tutorial day when school will be closed to children. Please make an appointment to meet your child's teacher over Zoom. Appointments can be made on Parentmail, or via the school office if you can not access Parentmail. If you are unable to access a Zoom meeting please let the office know and a phone appointment will be arranged.

Bessemer Club (After School Club)

As our new catering company is also providing tea for children at Bessemer Club we now need to provide them with exact numbers for each day. Therefore, from next week if you request a place at Bessemer Club on the same day that you need it, the cost of the place will be £12.50 to cover the cost of last minute food provision. Bookings made up until the night before the place is needed will be charged at the usual rate. Please can we remind you that if you need to cancel your child's place with less than 24 hours notice then you will still need to pay for the place for that day.

Lunch

Our new catering company has taken over lunch and tea provision and the children have been quick to share their appreciation of the meals they have tried so far. The new menus are still subject to a few adjustments, but are available on the website.

Word of The Week

The word of the week next week is **boisterous**. Please help your child to find out the meaning and origin of the word and to use it as much as possible at home! Teachers will be looking out for it in children's writing and in conversations in class.

Have a great weekend,

Elizabeth
