

Nursery Newsletter 28.05.21

Please, please, please
label your child's
belongings!!!

Have a wonderful half term break.

Please send in a couple of photos to your class teacher so we can look at some of the activities you and your children did during half term. We can then use these pictures as discussion points during our whole class carpet sessions which help promote speaking and listening skills.

Our Week

This week we have been reading *Superbat and Super Rabbit*, and as you may have already guessed, this week we have been looking at superheroes. We have discussed real life superheroes (police, delivery drivers, refuse collectors etc) and also talked about using superpowers for good purposes.

HOME LEARNING

Maths

We have been supporting the children knowledge of knowing that numbers represent a set or group of objects using role play shops, building towers, using a recipe and playing games.

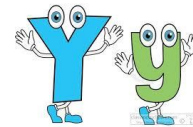

Maths home challenge:

Ask your child to help you when you are at the shops for example can you get me two apples for my basket?

Get your child to help you with cooking , for example we need two spoons of flour in the bowl.

Sound of the week

Our sound of the week will be the sound 'y', please could you work with your child to find something in your house that starts with the sound 'y' and send a picture to your class teacher.
