## Our Week

We have had another productive week in nursery and have been continuing our topic of Minibeasts. We have also been reading the Eric Carle classic *The Very Hungry Caterpillar*.

Our weekly sessions with the Jolly Foresters have been fantastic and the children are absolutely loving these sessions. This week they learnt about clay and where it comes from. After going on a stick hunt the children then made some clay hedgehogs and used the sticks as spikes for their hedgehogs. They also fed our lovely chickens mealworms! Remember if your child comes in for the afternoon they are welcome to join us in the morning at the following times:  
Ladybird 9:00 (45min session)  
Butterfly 9:45 (45 min session)

## Rainbow Raffle Hamper Appeal

F@B are having a Summer Raffle and need your help with some prizes.

We have assigned each year group a different colour and are asking for donations of new items in that colour to help us create 8 coloured hampers which will be used as wonderful raffle prizes.

Here are some suggestions of what to give:

Books, games, chocolates, toys, sweets, toiletries, candles, teddies, soft drinks, gift sets, biscuits, crisps. Please be imaginative with your choices! (No alcohol, fresh, chilled or frozen items please.)

If you would like to take part, please could you send your child to school with one new item in the colour of their year during the dates of 21<sup>st</sup> to 25<sup>th</sup> of June. All items will be quarantined in their classrooms before collection. THANK YOU!

### YEAR COLOURS:

Nursery/Little Stars: Gold & Silver

Reception: Pink

Year 1: Yellow

Year 2: Orange

Year 3: Blue

Year 4: Purple

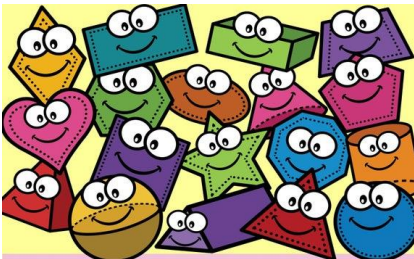

Year 5: Green

Year 6: Red

## HOME LEARNING

### Maths

This week in maths we have looking at 2D shapes and their properties. We have been discussing the amount of sides and corners each shape has.

#### Home Challenge

Get a collection of sticks and pebbles. • Use the sticks or pebbles to make a shape. • What shape did you make? Can you tell a grown-up about your shape? • Then, try making another shape. • Can you make a triangle, a square, a rectangle and a circle?

Many thanks,

The Nursery Team

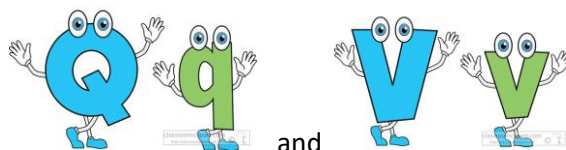

Ladybird - Ned Symes, Gina Collingridge

Butterfly - Pamela Mucci, Jodie Speer

Jaci Doherty working throughout both classrooms

### Sounds of the week

Our sounds of the week will be the sounds q and v, please could you work with your child to find something in your house that starts with the sounds 'q' and 'v' and send a picture to your class teacher.
