

# Newsletter 25.06.21

## Our Week

We have continued to read *The Very Hungry Caterpillar*. This week we have been learning about the days of the week, and fruits discussing when they are ripe and changing colour and where they come from and how they grow.

Our class caterpillars are now all in cocoons and soon will be beautiful butterflies. The children have been keeping a butterfly diary which will go home once the butterflies appear!

Remember if your child wishes to join us for our Jolly Forrester session then they are welcome to come in the morning at the following times:

Ladybird 9:00 (45min session)

Butterfly 9:45 (45 min session)

Please meet at the nature garden gate.

## Rainbow Raffle Hamper Appeal

F@B are having a Summer Raffle and need your help with some prizes.

We have assigned each year group a different colour and are asking for donations of new items in that colour to help us create 8 coloured hampers which will be used as wonderful raffle prizes.

Here are some suggestions of what to give:

Books, games, chocolates, toys, sweets, toiletries, candles, teddies, soft drinks, gift sets, biscuits, crisps. Please be imaginative with your choices! (No alcohol, fresh, chilled or frozen items please.)

If you would like to take part, please could you send your child to school with one new item in the colour of their year during the dates of 21<sup>st</sup> to 25<sup>th</sup> of June. All items will be quarantined in their classrooms before collection. THANK YOU!

### YEAR COLOURS:

Nursery/Little Stars: Gold & Silver

Reception: Pink

Year 1: Yellow

Year 2: Orange

Year 3: Blue

Year 4: Purple

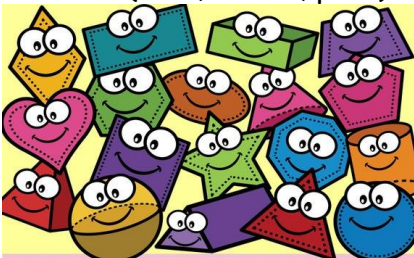

Year 5: Green

Year 6: Red

## HOME LEARNING

### Maths

This week in maths we have been measuring ourselves and body parts. We have been encouraging the use of non-standard measurements of the children's choices (cars, blocks, pens)

### Home Challenge

We have sent the children home with their own cut outs which they have measured - can the children measure household members and body parts such as hands and feet to find out who is the tallest, shortest, biggest etc

Many thanks,

The Nursery Team

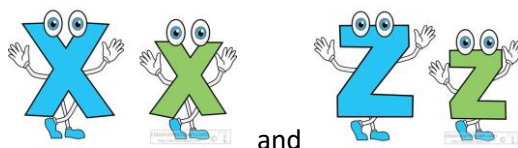

Ladybird - Ned Symes, Gina Collingridge

Butterfly - Pamela Mucci, Jodie Speer

Jaci Doherty working throughout both classrooms

### Sounds of the week

Our sounds of the week will be the sounds x and z, please could you work with your child to find something in your house that starts with the sounds 'x' and 'z' or contains either letter and send a picture to your class teacher.
